

## **Strangers**

Jeremy Ney  
October 30, 2015

Your eyes rise and meet mine  
Like finding a friend I find I can't define  
Locking lonely only lost  
Unknown sparingly sharing at no cost.  
Your life missed mysteriously to me  
And fleeting with a glance can I chance to see  
Infinite stories stored in an unfinished void  
A human moment that your eyes avoid.
